### STILLWATER SPARKLES.

S. C. Rose is hauling and saving fodder this week.

A. T. Combs, of Campton, was on Stillwater Saturday evening.

Ninnie Brewer stopped with her sister, Mrs. S. C. Rose, Sunday night.

Miss Stella and Edwards stayed at the residence of S. O. Rose Friday night.

S. C. Rose had a finger very badly cut on a piece of glass Saturday evening.

Quite a number of people from this creek went to Gillmore to church Sunday.

J. W. Maloney and family stayed at the residence of S. C. Rose Saturday night.

Several people from this section went to the Baptist association near Mariba last week.

Willie Linkous, the stock trader of Morgan county, stayed at J. A. Rose's Saturday night.

Willis Lykins and wife, of Grassy Creek, attended the meeting at Stillwater Saturday and Sunday.

Mrs. D. B. Tyra and little boys went to the meeting at the Bridge Sunday, and in the evening called to see R. J. Rose and family.

D. B. Tyra and wife went to Campton Saturday to bid the latter's mother, brother and nephew goodbye on their departure for Illinois.

James O'Hair, of Trent, went to Cannel City last week to enlist in the regular army and passed examination all o. k., left and came home before he was sworn in.

Rev. Robert J. Rose returned Sunday from Laurel Spring Association and seemed to be very much fatigued with his trip, but says he had an enjoyable time.

Ada Boling is now living with Mrs. Miranda Tyra. She had been living with Mrs. Henry Garrison, at Campton, heretofore. Miss Ada says she is well pleased with her new home.

Powell Rose, of Lexington, who was taken sick at the residence of S. C. Rose last Friday, is no better at this writing, and most of his children called to see him Sunday at the home of his sister, Mrs. John C. Barker, on this creek.

The chairman, secretary and trustees of this school district met at the Stillwater church house Monday to turn in and make out their reports for the needs of their districts, so as to be ready to present them at the fiscal court for allowance.

J. D. Rose started Saturday for his home at Weedman, Ill., accompanied by his mother, Mrs. R. J. Rose, and Charley E. Rose, his nephew. Both of the last named did not have any set time to return to Kentucky. But the writer is anxious that they will complete their visit in a short time for we feel very lonesome without them.

Dillard Barker was shot from ambush Saturday night at Campton. Some one concealed in the barn of Shelby Cannoy did the shooting. The ball entered the breast and came out near the small of the back. It is thought Mr. Barker, who is a son of William Barker, of Rocky branch, and a nice young man, was taken for some other person.

Hons. S. G. Sample and G. B. Stamper took the deposition of M. E. O'Hair, Friday, before S. C. Rose, Notary Public, at the residence of Mr. O'Hair on Laurel, to be used as evidence at the September term of Wolfe Circuit court in an action pending between Robert Cox, plaintiff, and Robert Crain, defendant. After court adjourned.

HON. A. HOWARD STAMPER,  
Democratic Candidate for Commonwealth's Attorney.

The above is the likeness of our county boy, Hon. A. Howard Stamper, Democratic nominee for Commonwealth's Attorney for this (the 23rd) Judicial District. Howard has an indomitable will and courage that knows no such thing as defeat. He has from his childhood fought the battles single-handed and alone, his father, William Stamper, having died when Howard was but a child. His mother, who a lady before she married, was a poor woman, and therefore was not able to give her boys the advantage of an education, but so soon as they were able to earn money by their labor, they procured the necessary books and took the advantage of every opportunity to acquire an education. Howard began teaching school at the age of 16 years, and took up the study of law soon after. He was admitted to the bar at the age of 24 years and has been one of the most successful lawyers in this Judicial District, and is conceded to be one of the ablest criminal lawyers in this section of the state. He is eloquent and a power before a jury, and, if elected, will make the people of this district one of the best Commonwealth's attorneys we have ever had, one that the good people, regardless of political affiliations, will be proud of and one that the violators of the law will fear. There is no office within the gift of the people that is of more importance than a Commonwealth's Attorney. The people want and need the best lawyers that we have to protect the interests of the state. When men violate the law they employ the best lawyers they can get to defend them, and they ought to be equally interested in the election of the best lawyers that can be had as Commonwealth's Attorney and Circuit Judge. Howard made a record as county attorney of Wolfe county that every voter should be proud of. He was a faithful and efficient servant of the people, and such men as this the people need and will elect to office.

Journal the attorneys went on to Hazel Green.

The following folks took dinner with S. C. Rose, Friday: J. H. Rose and wife, of Hazel Green; Mrs. Rebecca Edwards, of Trent; Mrs. S. H. Rose, Stillwater; Powell Rose and wife, of Lexington; George Buchanan and wife, D. B. Tyra and wife, of Stillwater; Jeff D. Rose, of Weedman, Ill., and several others, who helped to eat the mutton. They all seemed to enjoy each other's company.

John White, of 88 Highland ave., Houlton, Me., says: "Have been troubled with a cough every winter and spring. Last winter I tried many advertised remedies, but the cough continued until I bought a 50¢ bottle of Dr. King's New Discovery; before that was half gone, the cough was all gone. This winter the same happy result has followed; a few doses once more banished the annual cough. I am now convinced that Dr. King's New Discovery is the best of all cough and lung remedies." UNDER the head of announcements will be found the name of Allie B. Landrum, who is a candidate for County Judge. 'Squire Landrum, as every voter in Wolfe county knows, has always been a Democrat and a wheel horse in

the party. In times past he has filled several positions of trust and honor. He was trustee of the jury fund under Judge Riddell and filled the office with honor to himself and his constituency, and that is the only office he ever held by appointment. But for twelve years he was magistrate, being elected time after time, which demonstrates beyond doubt the confidence the people had in him. And the experience he had in this office is equal to a course or more in law school in fitting him for the office to which he now aspires. He is well known to every voter in the county and will poll an immense vote, if, indeed, he is not nominated. Should he be elected there is no question but he will make an economical county official and render satisfaction to all. He goes before the primary and in their hands we leave him.

### Democratic Primary Call.

At a called meeting of the Wolfe County Democratic Executive Committee which met pursuant to call at the court house in the town of Campton, Wolfe county, Kentucky, in the County School Superintendent's Office, on the 7th day of September, 1908, the following members of said committee (being a majority of same and a quorum) were present: Chairman, T. F. Stamper, 1st precinct, Floyd Arnett; 2nd precinct, J. P. Rose; 3rd precinct, J. C. Lykins by proxy, Arthur Lykins; 4th precinct, W. W. Bryant; 5th precinct, David Banks; 6th precinct, J. C. Barker; 7th precinct, Joe Ingram; 8th precinct, Walter Oliver; and 8th precinct A. B. Cox.

Floyd Arnett tendered his resignation as secretary of said committee, which resignation was accepted.

Motion was made by Floyd Arnett, and seconded by W. W. Bryant, that A. B. Cox be made secretary of said committee. Motion carried and A. B. Cox, committeeman from the 9th precinct, was elected secretary of the committee.

The purpose of the meeting having been stated by the Chairman, T. F. Stamper, to be to name the time and manner of selecting nominees of the Democratic party as candidates for the various county offices, to be voted for at the regular November election, 1909, the resolutions, upon motion having been made by W. W. Bryant, and seconded by Walter Oliver, were unanimously adopted by the said committee.

Resolved, 1st—That a Primary Election shall be held in each of the nine precincts of Wolfe county, Kentucky, on the 14th day of November, 1908, between the hours of 6 o'clock a. m. and 4 o'clock p. m., the polls therefore to be opened at the regular voting place in each of said precinct, for the purpose of nominating Democratic candidates for each of the county offices to be voted for at the regular election to be held in November, 1909, the candidates to be selected being a candidate each for the following named offices: County Judge, Sheriff, Superintendent of Schools, County Court Clerk, Circuit Court Clerk, County Attorney, Assessor, Jailor, Coroner and Surveyor.

2nd—That all Democrats of the county who will be eligible to election for the respective offices to which they aspire at the regular November, 1909, election, and who shall conform to the requirements, rules and regulations of this Primary Call, as herein set out, shall be eligible to, and may be voted for, as candidates before the said Primary for the nomination as a candidate for such of said offices as they may make known their desires to be candidate for, in the manner hereinafter prescribed; provided, however, that no one man shall be a candidate for more than one of the said offices hereinbefore named.

3rd—Any person or persons desiring to become a candidate for nomination for any of the offices before named herein, shall, on or before the 30th day of October, 1908, said last named date being just fifteen days before the time set herein on which said Primary Election is to be held, make known to this committee the office for which he desires to become a candidate, by so notifying the chairman of this committee, either orally or writing, of the office for which he desires to be a candidate before said Primary, and if he desires to be a candidate for any one of the first named eight offices herein he shall pay to the said chairman of this committee and take his receipt therefor, the sum of \$5.00, or if he desires to be a candidate for the office either of Coroner or Surveyor, he shall likewise make known his intention and pay to said chairman the sum of \$2.50, said amount so paid to be used in helping to defray the expenses of this Primary Election. Except that, if the chairman of the said committee is absent from the county or state, or cannot be found, then the secretary of said committee shall be notified in the manner hereinbefore indicated for the notification of the chairman and the same funds shall be paid to him and for the same purpose as hereinbefore required to be paid to the chairman. Those who are

first to register shall have their names placed first on the ballots to be voted for for the respective offices for which they are candidates, and so on, having preference for places on the ballots in the order in which they register for the office for which they are to run—that is to say, whoever registers first for any office shall have his name printed first on the ballot as a candidate for that said office, and whoever registers last shall likewise have his name printed last as a candidate for said office, and so on through. Any one so notifying this committee and thus becoming a candidate shall be bound by all the rules, regulations and requirements of the Democratic party and the law of this state governing primary elections. And any person who shall have paid to the committee as hereinbefore mentioned his registry fee, shall not be entitled to recover any of same from the said committee, by action or otherwise, even though after depositing same he should withdraw from the primary and have his name withdrawn; and whatever amount, if any, of funds remaining in the hands of this committee, after the expenses of the primary election have been paid, shall be used by the said committee to defray the expenses (lawful) of the party in effecting proper party organization over the county; and in case a sufficient amount of money is not paid to the committee to pay the expenses of the primary in the way above designated, then those candidates who shall have been declared the nominees for the respective offices in the manner hereinafter prescribed, shall pay to said committee whatever balance of said primary expenses remain unpaid, ratably and in proportion to the amount required herein to be first paid by the candidates for the respective offices.

4th—All persons shall be allowed a vote for a candidate each for the various county offices who are at the time legal electors in the precinct where they apply for the privilege to vote, and who are known by the respective primary election boards to be Democrats or who will make oath that they did not vote for any Republican candidate before the people to be voted for at the regular November election, 1908, provided they conform to the conditions and qualifications prescribed by the committee having control of said primary; and provided further, that all male citizens of this county and state otherwise entitled to vote but who are not yet 21 years of age and who will be at least 21 years of age at the time of holding the regular election in 1909 (November) shall be entitled to vote in this election; and provided further, that all persons desiring to vote in this Primary Election shall, if requested to do so by either of the judges of said election at their respective voting places, be required to make affidavit that they will support all persons nominated for the various offices by said primary.

5th—This committee shall meet again at the court house in the town of Campton, Wolfe county, Ky., in the county attorney's office, if available, otherwise in some other room of said court house, on the 4th day of November, 1908, at which the committee shall declare who are candidates to be voted for at the said primary election, and shall at the same time and place make proper provision for having the ballots for the various precincts throughout the county printed and distributed, and shall at the same time and place and in the manner prescribed by law elect and appoint the various precincts of the county, that may be appointed at that time, to-wit: Two judges, a sheriff and a clerk for each precinct of the county.

6th—Within two days after the said primary election shall have been held and conducted as herein provided, the election officers of the various precincts, after having performed the other duties of their respective offices required and enjoined upon them by law, deliver to the chairman of this committee the ballot box and the poll books, certificates and the envelope containing the spoiled, mutilated and questioned ballots, and the keys to the ballot box, together with the election seal, and the officers delivering same shall do so in the manner prescribed by law, and the officer receiving same shall receive same in the manner prescribed by law, at the court house in the town of Campton. On the third day after the holding of said election as herein prescribed, this committee shall again meet in the town of Campton in some convenient room or office, and shall then and there count the votes received by all candidates in such primary election and shall declare the candidates receiving the highest number of votes the nominees for the respective offices for which they were voted for at said primary election. The said committee shall have the power and authority to declare the nominee in case of a tie vote between any two candidates for any of said offices, as well as any and all contests arising from said primary election.

7th—Notice of this primary election call shall be given by this committee at least forty days prior to the date of holding said election by the chairman, or secretary, or chairman and secretary hereof, posting said notice at the court house door and at least twenty other public places in the county of Wolfe.

8th—That the proceedings of this meeting be published in the HAZEL GREEN HERALD.

9th—That this committee do now adjourn to meet again at the place hereinbefore designated on the 4th day of November, 1908. T. F. STAMPER, Chairman. A. B. COX, Secretary.

### A Trip to Mississippi.

O. W. McNabb left Lexington August 28 on the Southern road to Louisville, thence on the I. C. to Sardis, Miss., and was then transferred to Sevenspot, a distance of 20 miles down in the Mississippi swamps. Being tired and worn out I secured a room at the Woods Hotel for the night.

The object of my trip was to find out the whereabouts of Roy Pieratt, who fortunately happened to come in on a work train to the same hotel, where he had engaged board. I and four others were on his bond for his appearance at the Bath Circuit court, and as he had gone away I was selected to bring him back. While at the hotel I enquired of Dr. H. L. White, who is the doctor for the company, if he knew of any Kentuckians at the hotel. He mentioned at least half a dozen, among them being young Pieratt. I enquired further into the matter and found it was Roy Pieratt, the one I had come so far to see. I kept the mission of my trip to myself. I at once arrested Roy. When he first saw me I laid my hand on his shoulder and said, "Hello, Pieratt," when Roy responded, "Hello, McNabb, you are after me." I told him that I was. He accepted the situation with much submission. Then we retired for the night. Failing to get a through train the next day for Kentucky, which suited me all o. k., as I wanted to see the scenery of a country I had never been in before. I visited the swamps where there were 82 sections of timber land, all of which was a solid mass of canebrake. One amusing event I'll mention. Dr. H. L. White and myself secured a speed to go down into the lower camp and on the trip it jumped the track, which reminded me of an old song,

We'll wander through the cane brake,  
And shoot the buffalo.

After dinner and enjoyment was over we took the train for Sardis, Miss., and a through ticket brought us to Mt. Sterling. From there we went to Owingsville, where Roy was left in custody to await his trial which may come off soon. I then left and arrived at my home Saturday, the 5th.

## Enlarging Your Business

If you are in business and you want to make more money you will read every word we have to say. Are you spending your money for advertising in hazardous fashion as if intended for charity, or do you advertise for direct results?

Did you ever stop to think how your advertising can be made a source of profit to you, and how its value can be measured in dollars and cents. If you have not, you are throwing money away.

Advertising is a modern business necessity, but must be conducted on business principles. If you are not satisfied with your advertising you should set aside a certain amount of money to be spent

annually, and then carefully note the effect it has in increasing your volume of business; whether a 10, 20 or 30 per cent increase. If you watch this gain from year to year you will become intensely interested in your advertising, and how you can make it enlarge your business.

If you try this method we believe you will not want to let a single issue of this paper go to press without something from your store.

We will be pleased to have you call on us, and we will take pleasure in explaining our annual contract for so many inches, and how it can be used in whatever amount that seems necessary to you.

If you can sell goods over the counter we can also show you why this paper will best serve your interests when you want to reach the people of this community.

## \$\$\$ Money to Burn \$\$\$

If you have money to burn Keep it in the house where it may be burned, lost or stolen but if you want to keep it safely where it will always be ready for you when needed, deposit it with us. A bank account will give you a better business standing in the community and a prestige that you may never have enjoyed before. If your name is not on our books, we will be pleased to see it there before the close of the year 1908. \$\$\$\$\$\$\$\$\$\$

### The Dedication.

Saturday was a red letter day in the history of Hazel Green. As per previous announcement the Helen E. Moses Memorial, or boys' dormitory, and the Ford Industrial Building were dedicated, the services beginning promptly at 10 o'clock a. m.

First on the program was a talk from Mrs. A. M. Harrison, who reviewed the work of Hazel Green Academy since it passed into the hands of the C. W. B. M., in which she complimented the citizens for their faithfulness, and paid a high tribute to the young people who have availed of its advantages.

Mrs. Anna R. Atwater, recently elected president of the National C. W. B. M., then addressed the assemblage, her theme being, "God Thought of You;" a subject to which she did full justice, pointing in her word painting to the fact that man had been able to harness the lightning of the heavens and convert it to the use of the present and all future generations of the human kind. That through all God was the Giver of all these things and had enlightened man through education as to their use. She dwelt at length upon the beauties of education, and impressed all with the earnestness in which she handled her subject. Especially did she refer to the development of Eastern Kentucky, morally, intellectually and materially, and her address imbued all with an ambition to go onward and upward until they might exclaim, "Excelsior."

She was followed by Carl Quick-sall, a bright, young student of the academy, in behalf of the student body, who had many encomiums for the noble work of the C. W. B. M.

In turn, Stephen G. Sample, a disciple of Blackstone and a popular young man and politician of our county town, Campton, then spoke of the high appreciation in which all students, or graduates of the academy, held the academy, especially showing the universal love of the alumni, in whose behalf he spoke.

He was followed by Greenberry Stamper, county attorney and a prominent lawyer, who made the broad assertion that Hazel Green Academy is the best school, located in the best county, and in the best state of a galaxy of 48 bright ones in the United States.

Hon. W. O. Mize then gave a short talk on the founding of the school and the subsequent noble work of the C. W. B. M.

The vast assemblage then repaired to the boys' dormitory, or Helen E. Moses Memorial, when that building was dedicated to God in one of the most impressive prayers by Mrs. Atwater that ever emanated from human lips, in which she paid a most magnificent and eloquent tribute to her predecessor, the lamented Mrs. Helen E. Moses, whose memory all lovers of the school will reverence as long as life lasts.

Then the crowd were invited to the Industrial building, where Bro. Derthick led in a beautiful prayer, after which one of the Misses Ford, who with her mother and sister donated the \$10,000 to endow the building, pressed a button which started the dynamo and set the other machinery in the building in motion.

This ended the ceremonies of the day, but our description of all events is inadequate. Only those who were present, and there was an immense throng, can have an idea of the impressiveness.

### Sankey Memorial Service.

A very interesting service was held Sunday last at Bethel church, in memory of the late T. D. Sankey, many of his songs were sung and a sketch of his life and work was given. A short sermon was preached the pastor from 2nd Samuel, ch. 19, v. 35, "Can I hear any more the voice of singing men." Over the pulpit was a wreath of beautiful flowers with a picture of the departed one. The service was repeated on Wednesday by the choir.

DRINK WAINECOTT'S POP.

Miss Imogene Marcum, youngest daughter of the late Attorney J. B. Marcum, died at Hazard on Thursday week and was brought to Jackson Friday for burial. She was 17 years old and was a talented musician and was the favorite of her father.

H. A. Larue, manager for the Richmond Cooperage Co., with his assistant Charley Hurt and the latter's son left Wednesday for Richmond on business. But they will return Monday, and Mr. Larue says he will perhaps work an additional force.

George Sandifer, who was with John H. Rose, last week resigned his position and Saturday left for Lexington. He will be succeeded, we understand, by A. J. Davenport, of Illinois, a gentleman who comes very highly recommended as a workman and a good citizen withal.

A. D. Lykins, attorney of Campton, on Friday morning filed suit against Smith and Allen, merchants of Lee City, in favor of wholesale creditors, alleging that they were selling and disposing of their goods with intent to defraud their creditors, and had attachments issued and the stocks of goods of the defendants taken charge of by the sheriff.

Our friend Nelse Nickell has the thanks of the editor and his better seven-eighths for a sweet potato weighing 3½ pounds, of the Red Spanish variety, which is very much of a freak. At first glance it looks like five large potatoes piled or bunched in one bulk, when in reality only an indenture separates them. It is beautiful to look upon but will be more beautiful when it takes table use.

Frank Phillips, who was sometime ago burned out of all his household effects, through the efforts of his good friends not only regained about what he lost, but last week he bought a farm on Beaver, in Menifee county, about 75 acres, and says he will now start life with more encouragement than he ever before had. At the same time he says he feels the obligations to all who so generously helped him in his distress, and hopes to show them by his future conduct that he does appreciate it and mayhap may sometime be able to reciprocate.

ing on the G. W. Lovelace place, on Stillwater, where they already have a derrick completed.

Mort Barker, of Rocky Branch, in this county, while in town Saturday night was shot through the neck by some one concealed in the shade of Cannoy's livery stable. It is not known who did the shooting as Barker had no known enemies. It is thought he will get well, although the wound is a dangerous one.

## KENTUCKY KERNELS

Carefully Collected and Concisely Chronicled.

At a meeting of the Pike county board of education recently, it was ascertained that there were fifteen districts in the county without school houses.

At Junction City, Dr. Benjamin Durham shot and killed John Wright. The men had a difficulty about five years ago, and Wright shot Durham's foot off.

The grand jury of Mason county refused to indict John Bruist, who killed his father several weeks since near Minerva, while the father was abusing Mrs. Bruist.

John Robinson, who is engaged in hunting for pearls in the streams of Bourbon county, found a curiosity in Stone creek, a genuine pure pearl formed in the shape of a minnow.

Two stacks of hay and forty acres of bluegrass on the farm of John Hall, in Scott county, was destroyed by fire because of drought. The dry grass caught from sparks of passing engines.

Fire at Paint Lick, in Garrard county, recently, caused a loss estimated at \$100,000. Seven stores, one hotel, the American tobacco company's warehouse and several other buildings were destroyed.

At the Kentucky veneer works, in Louisville, Edward Tellman a 14-year boy, was caught between two pieces of machinery and injured so badly that it was necessary to amputate his right leg just above the knee.

In digging a sewer on Winslow street, in Lexington, workmen uncovered a rich vein of barytes and lead ore. The vein runs north and south, and leads into the grounds of the State University. It is regarded as an unusually valuable find.

A worthless dog caused a murder in Letcher county last week. While passing the house of Jerry Meade, Harry McFall was attacked by Meade's dog, and he opened fire on it. Meade returned fire and McFall fell mortally wounded.

Clell Smith, a farmer who lived six miles west of Mt. Vernon, in Rockcastle county, was assassinated one day last week in the woods where he had gone with his team to haul wood. The inquest showed that Smith had been shot in the left side with a shotgun by unknown parties.

Henry Bennett, a tobacco buyer and farmer of Dycusburg, Crittenden county, who was unmercifully whipped with thorn switches by night riders a few months ago, has moved to Jeffersonville, Ind., and will file suit against his alleged assailant for damages in the United States Court at Louisville. It is reported that he will sue for \$50,000.

Not satisfied with trying to control the tobacco industry in Caldwell county, the night riders are branching out and it seems to be their plan to keep the farmers from raising any crops. Harvey McDonnell, an old farmer, received a warning not to make up his sorghum crop under penalty of a visit from the lawless band.

Wallace Jones, a farmer residing a short distance north of Boaz, in Graves county, was found lying alongside the I. C. tracks dead, with his throat cut. He had left Boaz shortly after dark, en route home, and had considerable money on his person, but none was found on the body and robbery is said to have been the purpose.

The Harrodsburg Herald tells of a voracious horse in that locality. Mrs. J. H. Brown was out feeding the chickens when she heard a noise in the house, and knowing that there was no one at home but herself went back to investigate and found that the family nag, which was pastured in the yard, had entered the dining room and eaten everything that had been placed on the table for supper.

## Handwriting on the Wall Seen.

A Republican cousin of Assistant Auditor C. E. Boce, sends him the following from Chicago, which leads the popular Judge to opinion that the Republicans throughout the country are realizing more and more how hopeless their fight against the people and Bryan in November:

### PUBLIC SALE.

Our lease with Uncle Sam having practically expired and having decided to quit business and retire to private life, we, the undersigned, will offer at public sale our residence at the Capitol in Washington, D. C., commencing on the 4th day of November, 1908, the following described property to wit: One elephant, about forty-five years old; one financial panic, old enough to wean and sired by the gold bugs and damned by everybody; one Republican platform, good as new, but somewhat moss-worn; one big stick, slightly impaired by overwork; one Republican machine, the same being somewhat out of repair; one financial system, well supplied with clearing house certificates and a little cash; 5,000,000 Teddy bears, old dinner pails and other articles too numerous to mention. everybody, regardless of party affiliations, or previous political servitude, is invited to attend this sale. It is expected that most of the articles herein mention will be bid on by "stand patters," but everything will be sold and on the square, there will be no bybidders. Possession of articles will be given March 4, 1909.

Roast cow will be served on the grounds by the Young Men's Republican Club. The sale will positively take place on the date mentioned above, regardless of the weather.

John R. Walsh, Clerk.

## Don't Worry

If you are sick, don't worry, but begin at once to make yourself well. To do this, we but repeat the words of thousands of other sufferers from womanly ills, when we say:

## TAKE CARDUI

It Will Help You

For 50 years, this wonderful female remedy, has been benefiting sick women. Mrs. Jennie Merrick, of Cambridge City, Ind., says: "I suffered greatly with female trouble, and the doctors did no good. They wanted to operate, but I took Cardui, and it made me feel like a new woman. I am still using this wonderful medicine, with increasing relief."

## \$25 in Free Presents.

The Wolfe County Democratic Primary Election to select candidates for the various county offices will be held in the summer some time, and **THE HERALD** avails of the occasion to increase its subscription list and at the same time give its subscribers \$25.00 in useful articles, such as watches and chains, razors, combination handy tool holder, &c.

This is in no sense a lottery but an educational problem, in which each new subscriber, and each old one who pays up and renews, will have the opportunity to exercise his brain in estimating the vote to be polled at the coming Democratic Primary Election.

The price of **THE HERALD** is \$1.00 a year, in advance, and every subscriber is entitled to one estimate. Old subscribers who pay up arrearages and one year in advance are also entitled to one estimate. The one who sends in the closest estimate will receive a gold plated watch and chain; next nearest gold plated watch and aluminum fob, next a fine razor, &c. Use the estimate coupon attached.

Write your name plainly and make figures of estimate very distinct. Then enclose \$1.00 with the coupon and mail to this office. These coupons will be filed and the day after the election a disinterested committee will take charge of them and determine who is entitled to the presents.
